NOTE: Please provide a copy of any conditions attached to the consent.

Section 5: Drainage

- | | | |
|---|----------------------|----|
| 1. Are you applying for the adoption of foul sewers? Note 5.1 | Yes | No |
| 2. Peak foul discharge (litre/second) | <input type="text"/> | |
| 3. Are you applying for the adoption of surface water sewers? Note 5.2 | Yes | No |
| 4. Peak surface water discharge (litres/second) | <input type="text"/> | |
| 5. Does the site include a pumping station? | Yes | No |
| 6. Does the site include a Sustainable Drainage System? | Yes | No |

NOTE: Please see Section 5 - Sustainable drainage systems details, in the guidance notes for developers - adoption of sewers.

Section 6: Development profile

Total number of properties:

Anticipated start date:

NOTE: Please provide a copy of your proposed build programme.

Anticipated end date:

Section 7: Checklist / Information and drawings required to progress with your application

Please insert a ✓ in each appropriate box in the first column to indicate that the information has been included and return this list with your application. Incomplete applications will be returned in full.

Section 8: Declaration (To be signed by Applicant)

Please advise me of the estimated cost and programme for adopting sewers for the above named development. In this respect, I will provide any relevant information required by Severn Trent Connect.

I understand that the submission of this form is to be treated as a preliminary enquiry and does not commit me or Severn Trent Connect, save as set out below. In particular, I understand that Severn Trent Connect does not authorise or hold itself responsible for the reimbursement of any expenses incurred in any design work undertaken by me without the express approval of Severn Trent Connect.

I confirm that if following the provision by Severn Trent Connect of the estimated cost and programme, I require further or revised estimates and programmes for the adoption of the sewers for the above named development, I will pay Severn Trent Connect’s costs and will provide such advance payment as they may reasonably require. Upon my acceptance of the estimated cost and programme, I will enter into a formal written agreement with Severn Trent Connect for the adoption of the sewers.

I also confirm that if the adoption does not proceed I will reimburse Severn Trent Connect’s reasonable abortive costs in preparing the estimated cost and programme.

If there is more than one applicant, please photocopy this declaration page and ensure that each applicant returns a signed copy.

By signing this form I confirm:

- That the Applicant is the owner / occupier of the land or existing premises in which the sewers are being adopted.
- That all statutory requirements, including without limitation the Water Industry Act 1991 and the CDM Regulations 2007 (as amended), shall be met
- That I have read the Developer Charges Summary and understand the charges that are applicable to sewer adoption
- (if signing on behalf of a Company) I am a duly authorised representative of the Company and can bind the Company accordingly.

Support notes

IMPORTANT NOTE: Insufficient or inaccurate information may result in delays in the processing of your application.

Note 1: Applicants details

- 1.1 The Applicant is the owner/occupier of the site that requires the connection. It is this individual/company that is responsible for the content of the application form and accepting the conditions laid out in the application declaration.
- 1.2 Please ensure that the complete address and contact details are provided. These address details may be used for future contact and correspondence.
- 1.3 Registered Company Number: The registration number of the business as issued by Companies House **www.companieshouse.gov.uk**.
- 1.4 We will accept an application form that has been completed by an Agent/Consultant, however, the Applicant remains responsible for the content of the application and must sign the application form.
- 1.5 Please provide as much of the site address as is available at the time of the applications submission. This address **MUST** contain: Road name, Town/city, County.
- 1.6 The Ordnance Survey reference is a 12 digit grid reference split into two 6 digit numbers (X and Y). This can be obtained from **www.ordnancesurvey.co.uk**
- 1.7 If you have made a development enquiry or submitted any applications that are linked to this site please provide the reference numbers. This will help us process your application.

Note 2: Contractor details

- 2.1 The contractor will be the company that will be constructing the sewers.

Note 3: Construction, Design and Management (CDM) Regulations 2007

- 3.1 Your project is notifiable if construction work lasts more than 30 working days or involves more than 500 person days.
IMPORTANT NOTE:
If your project is notifiable you will have to appoint a CDM co-ordinator, if you have not Severn Trent Connect cannot process your application form.
- 3.2 More information regarding the Health and Safety Executive (HSE) and how to contact them can be found at **www.hse.gov.uk**
- 3.3 CDM Co-ordinator (Definition): The person appointed to advise and assist the client on how to comply with the CDM Regulations during the project, and to ensure that suitable arrangements are made and implemented for the co-ordination of health and safety measures during planning and preparation for the construction phase.
Only appointed on notifiable contracts.¹
- 3.4 Principal Contractor (Definition): The duty holder who is required to ensure effective management of health and safety throughout the construction phase of the project. Their main duty is to properly plan, manage and co-ordinate work during the construction phase in order to ensure that hazards are identified and risks are properly controlled.²

¹ Definition taken from The HSE Industry guidance for CDM Co-ordinators

² Definition taken from The HSE Industry guidance for Principal Contractors

Note 4: Local Council details

- 4.1 Please provide the name of the Council authority that has provided planning permission construction on the site.
- 4.2 Please provide the unique reference number for the planning permission issued by the Council authority.
- 4.3 **Outline consent:** A form of planning consent designed to test the principle of whether or not a development is acceptable. The planning authority can request any level of detail they think is necessary to reach a decision, although usually, only a minimal amount of information is supplied. Outline consent does not authorise construction, only that the site is suitable for development.
- 4.4 **Full consent:** A detailed planning assessment that will provide consent for construction to start, as well as confirming the future use of the site.

Note 5: Drainage

- 5.1 **Foul water** is the waste water from your toilet, bidet, bath, basins, sinks, washing machines, dishwashers and showers etc.
- 5.2 **Surface water** is rainfall as it collects around your property.
